

Welcome to Toddler 1

We are excited to welcome new friends into our classroom where we will create lots of fun memories. Click [here](#) for some pictures of our classroom.

Due to COVID-19 we are operating a little bit differently and staff will ensure that proper safety measures will be taken. By doing so, we ask that parents only bring in the following items which will be left at the centre:

1. 1 bag of spare clothes (**labelled**)
2. diapers (to be brought in sealed original plastic packaging - (**labelled**))
3. diaper creams (can only be applied with written consent from parents - (**labelled**))
4. reusable water bottle (To be left at centre and sanitized daily, on site - (**labelled**))

We will be sending home all the children's belongings home every **Friday** to be laundered, and to help parents keep track of what is kept at daycare.

If children require blankets or stuffies for the sleep room, please note that these must be left at the centre. The centre will be providing blankets (in the event that you do not wish to provide your own) as this will lessen the amount of articles being transferred. Blankets and bedding will be washed once a week in keeping with guidelines from Toronto Public Health. Just a reminder, if your child/ children or anyone in your household are experiencing any symptoms of illness, please refer to the screening form provided in Himama for guidance and next steps.

We have been receiving positive feedback about HiMama postings and continue to ask that parents take the time to check messages and respond in a timely manner. We will be checking HiMama messages approximately three times a day, in the morning, during sleep room and in the afternoon. We hope you are enjoying all the photos and activities that our busy toddlers are engaging in.

If you have any questions or concerns please do not hesitate to contact LCCC via phone or email, or send us a message through the Himama app.

Thank you for being patient as this is a new learning curve for all of us. We are excited to meet everyone. See you soon!
